

PARKING PROCEDURES

PLEASE FOLLOW THESE PARKING INSTRUCTIONS WHEN REPORTING FOR JURY DUTY

Park in one of the lots listed below. The location of each lot is shown on the enclosed map. After parking, bring your parking ticket to the jury room, where the jury clerk will stamp and validate your ticket.

Presentation of your validated parking ticket to the ramp attendant is all you need to exit. You will not be charged for parking.

If the lots listed below are full, you may park elsewhere. However, to receive reimbursement for parking, you must submit your receipt for parking to the jury clerk within three days of your jury attendance and sign a certification stating that you incurred parking expenses. Your reimbursement for parking will be part of the lump sum check you receive within 7-10 days of your jury service, which includes your attendance and mileage.
